

# Georgia 811 eTicket

Safe digging starts when you call Georgia 811. By law, everyone – including homeowners – must contact Georgia 811 by dialing 811 or 1-800-282-7411 at least 48 hours before beginning any mechanized digging on your property. If you are unsure as to whether you should notify Georgia 811 before you break ground, remember, even if your digging project is small, it's always best to call! And you can now start the process by going online and using eTicket!

Homeowner eTicket is an online method for homeowners to start the locate ticket process. It will let you send GA811 the information necessary for us to process your request. We will review your request, determine the Member facility owner/operators to be notified and then get back to you with pertinent information about your request.

Please be aware that simply completing the eTicket Questionnaire is not sufficient for you to begin your excavation. You must wait for us to get back to you with a Ticket Number and the information you will need to know before you can start your digging. Click "eTicket" above to begin the process.
